Spirituality, Prayer, And Meditation

By Rev. Diane Horton

On Saturday, December 5, 2009, the seniors of New Bethel gathered in the Drayton Multipurpose Room for the last lunch and learn event of the year. Prior to the hustle and bustle of the holiday season we took time out to listen to soothing music and familiar bible verses. Our guest speaker, Rev. Dee McCullough, reminded us of the significant role that prayer and meditation plays in our spiritual lives.

Rev. Dee McCullough, a Board Certified Chaplain, is an associate minister at First Baptist Church—Highland. She is also the Executive Director and Founder of *Women of Promise Ministry*, a ministry striving to bridge faith communities, encouraging men and women to work in partnership to realize the full potential of those commissioned by God. Rev. McCullough completed a two year Clinical Pastoral Education residency at Wake Forest University Baptist Medical Center. She holds a Master of Divinity Degree from the Wake Forest University School of Divinity and a Bachelor of Science Degree from High Point University.

Sister Carol Poe provided a gracious welcome to everyone in attendance. Sister Alenia Sligh read scripture. Trustee Richard Walker offered prayer. Sister Betty Atkins introduced the speaker. Remarks were made by Rev. Diane Horton and Rev. Dr. Kendall D. Jones, Sr.

The afternoon included a scrumptious lunch. The seniors brought in their favorite holiday food. And there was plenty to go around! The event concluded with the seniors exchanging gifts and then three beautiful, large, live poinsettias were given away to those with the three lucky numbers.

Fire Prevention Home Safety Tips

By Ret. Fire Chief John Lucas

As seasonal weather conditions change, one must take the necessary steps to ensure their home is ready for the fire hazards that come with the cold weather.

As in past years, we again recommend that each household have their heating sources such as furnaces, fire places and heaters serviced by a qualified technician to ensure proper operation. We are also encouraging each household to have the appropriate number of working smoke detectors strategically located throughout the residence.

For additional home safety tips you can contact your local Fire Department at 773-7965 and request home safety pamphlets and other fire safety material.

Carter Declared, "We Are At War!"

By Diane Piggott

Rev. Linda V. Carter brought a message entitled, "We Are at War" as she addressed the 112th Anniversary of Missionaries at New Bethel Baptist Church on Sunday, December 13, 2009. Ms. Barbara Phelps was Worship Leader.

Rev. Carter used Matthew 28:19-20 as her text and opened with a question—"Will you accept the mission?" She continued, "We have listened as the president sent 30,000 more troops to Afghanistan thus bringing that number to 51,000 and there are 120,000 troops in Iraq. The picture of war is never pretty. The war is greater right here in the United States—49 million hungry and 10% unemployment. She continued, "Jesus' purpose was clear. Jesus knew the mission! The church seems to be a little sidetracked. What is the mission? The mission is: To make Heaven larger and Hell smaller!" New Bethel, will you accept the mission? Then as if she was transformed into a new being, rev. Carter injected into her message a "May Day" experience. She had the congregation transformed by the reality of the situation. She reminded us that as she spent 22 years in the Air Force where her job was a Communication Specialist. She was to maintain communication with the aircraft. She remarked, "New Bethel, a "Mayday" call is going out today! There is a distress call going out today! There is a distress in our homes today! Church, will you answer the call? Church, will you do the mission? New Bethel, accept the mission! Accept the mission! Accept the mission!"

FIRST JUNIOR USHER BOARD

Mrs. Alenia T. Sligh, Junior Usher Advisor To Step Aside

By Hattie Ingram

After more than 40 years, Mrs. Alenia T. Sligh has decided to step aside and pass the torch to someone else to serve as advisor to the Junior Ushers at New Bethel Baptist Church. She will continue to work with the seniors at funerals and on special occasions.

During her lengthy tenure as advisor to the Junior Ushers, Mrs. Sligh has trained more than 65 young men and 2 young ladies. She fondly calls these former and current ushers her children, grandchildren and great-grandchildren.

Reflecting on her many favorable experiences as an usher, Mrs. Sligh recalls that the board that she joined was very large, presidents were very competent and great role models and they had great times together as they greeted worshipers and assisted the Pastor in maintaining a reverent atmosphere in the church at all times. She remembers every fund raiser they sponsored and how the monies were given to the usher board and donated to the church building fund.

Mrs. Sligh was named one of New Bethel's Queens during our Annual Women's Day Program in 2009 and will continue to work diligently with the Sunday School, Tuesday Morning Bible Study Class, the Effort Club, Missionary Department, Senior Ministry and wherever she is needed at New Bethel.

Congratulations Mrs. Alenia Sligh! Job well done!
